For the last 10 years, Diamond Design Car has surrounded itself by the best partners possible in each field of automotive services in order to provide full tailored services to our esteemed clients in Europe and overseas.

You are interested in selling your luxury car or are looking for as specific limited edition one, we are at your disposal to fulfill at best all your requests. Our team of experts will take the necessary time to identify your needs and deliver the best service possible.

Diamond Design Car will relieve you from the workload related to the ownership of several cars and this for its every aspect. From managing your cars, selling them, arranging maintenances or assisting you in finding the best investment and purchase opportunities worldwide, we wish to deliver a full, transparent and professional service for each of our clients.

DDC will take care of everything including the pickup and return of your vehicle from your home or office. DDC will also arrange regular washing and detailing to make sure your vehicles are kept in gleaming showroom condition.

## OUR SERVICES

---

Diamond Design Car also provides all the necessary related services.

**Car Customization** : DDC is able to provide tailor made exterior and interior so that your car is the reflection of your desires.

**Maintenance** : Keeping your vehicles up to date with regular maintenance and services is essential, but also a time consuming task. DDC will give you the peace of mind that comes with knowing that only the required work is undertaken and that your vehicle is kept in top shape without any unnecessary disruption to your day.

**Buying & Selling** : From offering professional advice on vehicle values and choices to handing over your new keys, DDC will manage the purchase process from beginning-to-end. We will also make sure you receive the best possible price when selling your car and take care of dealing with all interested parties throughout the process. DDC offers the utmost confidential services for the purchase and sale of your cars and will perform all necessary due diligence in order to protect your assets, should it be for classic car or pre-ordered ones.

**Cleaning & Detailing** : Having a driveway full of sparkling clean cars is always a satisfaction. You can count on us to to arrange and make sure this is always the case. We can also economically attend to the inevitable chips, dents and scratches which happen from time to time.

**Tires** : Timely replacement of your tires is critical for your safety. DDC provides further peace of mind by keeping on top of when your tires require rotation or changing and by using our network of suppliers, we'll provide large savings on the best products available.

**Administration** : We will manage the administrative duties that come with vehicle ownership. Upon joining, we will assess each vehicle within your household, create a condition report and we will prepare a calendar for the upcoming year.

**Repairs** : Unfortunately the occasional mishap may occur and your car might not be as smooth and shiny as you would like. From a bump in a car park, to a scraped wheel when maneuvering, we can assist you in rectifying these matters with our specialists.

**Transportation** : Need assistance arranging airport transfers or simply a ride to and from a night out on the city ? DDC continues to be your one point of call for all automotive related services. We will make all arrangements for you which allows you to simply enjoy the ride.

**Events** : Our relationship within the automotive industry allows a certain 'foot in the door' in regards to private automotive events. We will keep you up to date on vehicle launches, social activities, Motorsport and major hospitality events throughout the year, and arrange tickets or admissions when possible.
